"Word was received in this city yesterday from Tonopah announcing the death of Ed Higgins, for many years a resident of this city. He was taken ill a few days ago with the disease that has been so prevalent there and died after a short illness.

Mr. Higgins was a carpenter by trade, which he followed in this city for many years. He acquired considerable cash and invested in California property. Several months ago he departed for Tonopah where he was employed at his trade. His death comes as a complete surprise to the many friends in this city. Mr. Higgins was aged about sixty-five years."
